

The School Board voted on May 28, 2024, to approve several transportation changes, including revising school start and end times. These changes were made to help get students to and from school safely and on time.

Schools marked with an "\*" are in a different tier than the current school year, so please read the following schedule carefully.

- Enforcing walking/family responsibility zones;
- Eliminating after-school transportation for daycares that are outside the school's attendance zone, other than the established partners of the division;
- Establishing alternative service routes, or hub bus stops, for STEAM, PLATO, and Noel C. Taylor Learning Academy.

Bus routes for the 2024-2025 school year will be available in August. (Bus stops may change from prior year and students may have to walk to their stop in accordance with family responsibility zones.)
